Description

Sport Silicone Band for Google Fitbit Air The Sport Silicone Band for Google Fitbit Air is designed for users who want a soft, secure, and sweat-resistant replacement strap for daily wear, workouts, sleep tracking, and casual use. Made from high-elasticity silicone with a skin-friendly finish, it offers a lightweight fit, breathable comfort, reinforced adjustment holes, and easy tool-free installation for a clean everyday wearable experience. Key Features Designed for Google Fitbit AirMade to fit Google Fitbit Air with precise buckle alignment for secure installation. Tool-Free InstallationEasy to attach and remove in seconds without extra tools. Soft Skin-Friendly SiliconeHigh-elasticity silicone provides a smooth, comfortable feel for long daily use. Sweatproof & Water ResistantSuitable for workouts, hand washing, rain, and active daily routines. Breathable Sport Strap DesignMultiple adjustment holes help improve airflow and keep the strap comfortable during training. Fits Most WristsAdjustable fit for wrist sizes from 150–220mm. Lightweight Daily ComfortComfortable enough for sleeping, working, exercising, and all-day wear. Sensor-Friendly FitDesigned not to block watch sensors, supporting normal wearable tracking performance. Smooth Rounded EdgesHelps prevent scratching, irritation, and snagging on clothing. Durable & Tear-ResistantReinforced holes and tear-resistant construction help the strap handle regular use. Multiple Color OptionsEasy to match with different outfits, activities, and personal styles.
