Product specification sheet

Product	TCL Smart Google TV 2K FHD QLED 40"
SKU	cm-40S5K
Brand	TCL
Category	Home Audio & Video
Minimum order quantity	1
Unit	—
Unit price	$239.00
Available quantity	0

Description

QLED FHD HDR 10 Dolby Audio Google Cast Slim Design Multiple Viewing Mode QLED Vivid color, vigorous life TCL QLED utilizes Colorful Quantum Crystals, which integrate nanoscale quantum dot materials with organic materials in multiple layers. Together with backlighting technology, this breakthrough achieves exceptional color and optical properties. Enhanced brightness further illuminates subtle details, delivering truly immersive, lifelike viewing experiences. Colorful Quantum Crystal | Ultra-wide Color Gamut | Enhanced Stability *The relevant data comes from TCL laboratories, and different test environments or standards may lead to inconsistent test results. Pioneer in Quantum Dot Technology TCL remains at the forefront of innovation, investing heavily in QLED technology with a total of 2,485 patents. With a dedicated team of nearly 100 experts and an international Quantum Dot Lab, TCL continues to push the boundaries of display technology. FHD 2X more pixels, see more details A full high-definition screen presents you a 200% more realistic and detailed picture than high-definition screen, revealing hidden details in the picture. HDR 10 See Clear Details with HDR 10 It supports decoding HDR10 content, intelligently analyzing images in various scenes, and dynamically adjusting the image signal for enhanced contrast. This ensures that even when viewing non-HDR sources, users can enjoy visual quality akin to HDR content. Dolby Audio Immersive Dolby Audio Enjoy ultra realistic, enhanced sound with Dolby Audio. Designed to put you in the middle of every scene - with crystal clarity, crisper dialogue, and great detail. From the ball game, to your favorite TV series - entertainment has never sounded better.
