## Description

Experience immersive audio with the Harman Kardon Onyx Studio 9, a premium portable Bluetooth speaker designed to enhance home audio with ease. Featuring a powerful three-channel system and Constant Sound Field technology, this speaker offers superior sound performance with a wider soundstage, delivering crystal-clear vocals and dynamic tones that surround you. Whether streaming your favorite music or sharing playlists between devices, the Onyx Studio 9 ensures a seamless Bluetooth connection for up to two mobile devices simultaneously. The iconic design, crafted with an integrated aluminum frame and durable fabric, doubles as both a sturdy handle and a visually appealing speaker. Its rechargeable built-in battery provides up to 8 hours of uninterrupted playtime, allowing you to enjoy music anywhere in your home. With the Harman Kardon One app, setting up and controlling your speaker is made simple, providing personalized audio settings and multi-speaker synchronization through Auracast™ for an immersive listening experience
