## Description

The Harman Kardon Onyx Studio 8 redefines portable audio with its fusion of sophisticated design and eco-conscious materials. Crafted from recycled resources, this sleek Bluetooth speaker features a stylish anodized aluminum handle, making it both a visually appealing and practical choice for any setting. With its advanced auto-calibration technology, the Onyx Studio 8 adjusts to its environment, ensuring optimal sound quality every time it is powered on. Experience seamless connectivity with Bluetooth 5.2, allowing you to pair two devices simultaneously or link two Onyx Studio 8 speakers for an expanded stereo soundstage. The powerful 50W RMS output, complemented by a robust 120mm woofer and dual 20mm tweeters, delivers immersive audio performance. With up to 8 hours of battery life, it supports uninterrupted music playback, whether you are hosting a gathering or enjoying a solo listening session
