Description

Safe Listening Volume: The JBL JR310 is designed with a maximum sound pressure level of 80dB, protecting young ears from potential hearing damage. High-Quality Audio: Equipped with dynamic 32mm drivers, these headphones deliver clear and balanced sound across a frequency range of 20Hz to 20kHz. Comfortable Fit: The lightweight design and adjustable headband ensure a comfortable fit for children of various ages. Durable Construction: Built to handle everyday use, these headphones are designed to withstand active play and last through various adventures. Convenient Cable Length: The 100cm (39.35 inches) cable provides ample movement freedom without tangling. Wide Compatibility: The 3.5mm audio jack makes it easy to connect to a variety of devices, including smartphones, tablets, and computers.
