Product specification sheet

Product	Apple Pencil 1st Generation
SKU	pen-1
Brand	Apple
Category	Accessories
Minimum order quantity	1
Unit	—
Unit price	$100.00
Available quantity	0

Description

Compatible with select iPad models via Lightning connector. Pressure-sensitive tip allows varying line weights and subtle shading. Tilt detection enables realistic drawing and shading techniques. Intuitive pairing and charging via the iPad. Designed for note-taking, drawing, document markup and creative workflows. Simple, sleek design with Apple’s build quality.
