Product specification sheet

Product	DJI Flycart - C8000 Intelligent Battery Station
SKU	DJI-FC0303
Brand	DJI
Category	Camera & Photo
Minimum order quantity	1
Unit	—
Unit price	$1,350.00
Available quantity	0

Description

HIGHLIGHTS: High power output: It has a maximum charging power of up to 7200W, which is enough to charge multiple batteries simultaneously. Adaptive charging voltage: It can be used with standard generators, making it ideal for use in remote locations. Intelligent safety features: It includes a number of safety features, such as over-current protection, over-temperature protection, and short-circuit protection. Durable construction: It is made from high-quality materials and is designed to withstand harsh conditions. Portable design: It is relatively lightweight and compact, making it easy to transport.
