Product specification sheet

Product	DJI Mavic 3 Enterprise (Universal Edition)
SKU	DJI-MVE300
Brand	DJI
Category	Camera & Photo
Minimum order quantity	1
Unit	—
Unit price	$3,850.00
Available quantity	0

Description

HIGHLIGHTS: Compact and Portable 4/3" CMOS Wide Camera 56 x Hybrid Zoom Camera Video Resolution: 4K Flight time (up To): 45 min. Camera Still Resolution: 12 MP, 20 MP Gimbal Option: 3-Axis Gimbal The Mavic 3 Enterprise Series redefines industry standards for small commercial drones. With a mechanical shutter, a 56 x zoom camera, and an RTK module for centimeter-level precision, the Mavic 3E brings mapping and mission efficiency to new heights. A thermal version is available for firefighting, search and rescue, inspection, and night operations. Compact and PortableStreamlined and compact, Mavic 3 Enterprise Series can be carried in one hand and deployed at a moment's notice. Perfect for beginner and veteran pilots alike, it's built to perform on lengthy missions. Wide4/3" CMOS, 20MP, Mechanical Shutter TeleEquivalent Focal Length: 162mm, 12MP, 56 x Hybrid Zoom Premium Camera Performance.Survey with SpeedMavic 3E's wide-angle 4/3" CMOS, 20MP sensor has a mechanical shutter to prevent motion blur and supports rapid 0.7-second interval shooting. Complete mapping missions with extraordinary efficiency without the need for Ground Control Points. Improved Low-Light PerformanceMavic 3E's Wide camera has large 3.3microm pixels that, together with intelligent low-light mode, offer significantly improved performance in dim conditions. Focus and FindBoth Mavic 3E are equipped with a 12MP Zoom Camera, supporting up to 56 x Max Hybrid Zoom to see essential details from afar. Exceptional Operational Efficiency Batteries Optimized For Endurance45-min flight durations let you cover more ground each mission, for Surveying of up to 2 square kilometers in a single flight. Max Flight Time 45 MinutesSurveying Area in a Single Flight 2 Square Kilometers Fast charge batteries with 100W charging hub, or directly charge the drone with 88W fast charging. • Charging Hub 100W• Aircraft 88W Abundant Accessories.DJI RC Pro EnterpriseA portable remote controller with a 1,000-nit high-brightness screen for clear visibility in direct sunlight, a built-in microphone for clear communication, and 1.5-hour 65W fast charging. LoudspeakerBroadcast your message from above, with support for text-to-speech, audio storage, and looping, to improve search and rescue efficiency. RTK ModuleAchieve centimeter-level accuracy with RTK and support for network RTK, custom network RTK services, and D-RTK 2 Mobile Station. D-RTK 2 Mobile StationD-RTK 2 Mobile Station is DJI's upgraded high-precision GNSS receiver that supports all major global satellite navigation systems, providing real-time differential corrections that generate centimeter-level positioning data for improved relative accuracy. Full Software Suite DJI Pilot 2A revamped Enterprise flight interface designed to improve piloting efficiency and flight safety. Drone and payload controls can be easily accessed with one tap. Clear presentation of flight details and navigational information improves user experience together with support for various route types. DJI FlightHub 2All-in-one cloud drone operations management for your fleet with support for live annotations and cloud mapping for seamless ground-to-cloud synergy. Efficiently manage inspection operations with route planning and mission management. DJI TerraFull featured mapping software for all stages of work, from mission planning to processing of 2D and 3D models. User Data Security• Local Data Mode• One-Tap Clear All Device Data• AES-256 Video Transmission Encryption• Cloud API
