Description

HIGHLIGHTS: Two Configuration Options - Highly Durable. Compact and Lightweight. New Operating Experience - Custom-made handle extension and monitor extension cable for mounting DJI Ronin 4D. Handle Extension Mounting Base - ARRI standard rosettes for secure mounting. Compatible with the DJI Ronin 4D handrip. Protection - The coiled cable and cable clamp limit cable tension and protect the ports from damage. Custom-Made USB-C Cable - Custom-made USB-C cable for connecting DJI Ronin 4D Monitor.
