SKU	3204
Brand	SmallRig
Category	Camera & Photo
Minimum order quantity	1
Unit	—
Unit price	$149.00
Available quantity	100

Description

HIGHLIGHTS 1. The plate utilizing a standard V mount fits most V mount batteries to provide greater battery life for your camera rig. 2. The plate provides different output ports, including an 8V DC output port, two 12V DC output ports, and a 14.8V D-Tap output port. 3. The plate provides a 5V/2A USB output port to power a phone or a wireless video transmitter via a V mount battery. 4. It comes with a dual 15mm rod clamp to help mount the plate to your 15mm LWS rod system. 5. It features an adjustable arm for quick adjustment of the V mount battery
