Description

Speed into the ultimate Hot Wheels experience! Get behind the wheel of your favorite Hot Wheels cars and explore four action-packed islands filled with challenges, stunts and collectibles waiting to be found. Race, drift and boost your way through a Hot Wheels-sized world where limits fade into the rearview. Features & details FOUR ISLANDS TO EXPLORE: Be ready to roam free on four islands, each with its own personality. Race through the buzz of a city that never sleep, enjoy lush, green parks and resorts, have fun through neon-lit water canals or drift your way through a scorching desert. This is just a taste of what this world has in store for you! BUILD YOUR ULTIMATE COLLECTION: Discover and collect 150+ vehicles through events, activities, and challenges. Unlock epic models, fill your garage, and hit the road with some of the most iconic Hot Wheels out there. MORE FUN THAN YOU CAN COUNT: Every island is made for action packed fun! Jump into track races, hit events on the fly, or just roam freely and stumble into activities scattered across the environment – some so seamlessly integrated you won't even have to stop driving. BECOME THE RUSH MASTER: Each island is ruled by a Rush Master - the ultimate boss to defeat. Complete events to unlock their challenge and beat them to claim their car and title. Once you've conquered all four, be crowned the one true Rush Master! CREATE, SHARE AND PLAY WITH FRIENDS: With the new Track Builder, create next-level tracks using the world around you. Attach modules to the ground, build around buildings, or race above the city, weaving around towering skyscrapers.
