Musashi's journey will take him on a bloody and meandering path through early Edo-period Kyoto. With every stage cloaked in mystery, danger and intrigue.  Strong Allies As the protagonist of this game, his journey will see him joined by various allies, all with their own pasts and motivations. - A female Oni housed in Musashi's Oni Gauntlet. While she usually supports Musashi from within the gauntlet, she can also appear before him when the need arises. - Ono no Takamura, a highly skilled swordsman, he can vanquish Genma with ease despite his old age. He also appears to have an Oni Gauntlet, much like Musashi and Ganryu... - Izumo no Okuni, a young dancer who, due to certain circumstances, comes to Ono no Takamura seeking the power to defeat the Genma.
