Description

award-winning games: A Plague Tale. As Sophia, journey to the Minotaur’s Island, outsmart deadly foes, unravel ancient secrets, and confront a mythical creature at the heart of a devastating curse. As you journey deeper into the island’s heart, you’ll confront the truth behind a long-buried curse. Followed by many enemies, each drawn to the Island to reclaim a mysterious treasure, you must navigate a treacherous maze. Rely on your agility, tricks and sharp reflexes to outsmart enemies, perfect your parries, and unleash powerful strikes to survive deadly encounters. Shift between the Middle Age of Sophia and ancient Minoan times, where echoes of the past shape the battles of the present. Unfold a new story in the universe of A Plagues Tale through the entwined destinies of two heroes linked by fate and the Macula’s mysterious legacy. Guided by the knowledge safeguarded in your notebook, follow in your crew’s footsteps to explore a richly detailed world, unravel its secrets, and face deadly trials. Use a stolen Minoan sphere to solve ingenious puzzles by manipulating light - a force woven by Daedalus into the island’s very heart.
