Description

Assemble your team of legendary Marvel characters in the ultimate 4v4 tag team fighter from PlayStation Studios, Arc System Works and Marvel Games. Experiment with team compositions to discover new combos, synergies, and strategies. Blast your way through dynamic stages based on iconic Marvel Universe locales, some featuring interactive stage transitions. Fighting is both immersive and intuitive, with a range of unique move sets, combos, and strategies to master. Adjustable controls, both traditional and quick inputs, plus easy chain combos make diving right in a breeze. Face off against a friend locally or join the fray with up to 64 players in the online lobby, including standard VS modes. Plus, dive deep on each team with the single player Episode Mode to learn more about team dynamics and lore.
