Description

Focus Better Anywhere: Enjoy a distraction-free listening experience while commuting, working, or relaxing in busy spaces. Adaptive ANC 3.0 automatically adjusts to your surroundings every 0.3 seconds, helping to reduce voices and background noise. Immersive Sound for Everything You Love: Hear clear vocals, punchy bass, and rich details whether you're listening to music, streaming podcasts, or watching movies. Hi-Res Audio, LDAC, HearID Sound 4.0, and Dolby Audio work together to optimize quality and add depth for a more immersive experience. Clear Calls Wherever You Are: Sound clear and natural on calls whether you're walking outdoors, during your commute, or in noisy environments. 6 microphones, AI noise reduction, and wind resistance help capture your voice more accurately, while IP55 water and dust resistance provides reliable protection for everyday use. Listen Longer, Charge Less: Keep your music going through workdays, trips, and daily routines without constant recharging. Enjoy up to 12 hours of playtime on a single charge and 48 hours with the case. A 10-minute fast charge gives you 5 hours of use, and wireless charging offers added convenience. All-Day Comfort and Easy Connection: Enjoy a secure, comfortable fit and seamless audio whether you're working, commuting, or switching devices at home. 6 ear tip sizes help you find the right fit, while Bluetooth 5.4, Google Fast Pair, and multipoint connection make pairing quick and device switching smoother. USB-C Cable Included | Comes with a USB-C charging cable for convenient charging right out of the box.
