Description

Upgrade and customize. Earn cash to unlock new vehicles, abilities, and cosmetics. Choose between 10 taxis across three classes. Drift. Agile and sharp for dense city driving; Heavy. Slower but powerful, built to shove traffic aside; Sports. High speed and fast acceleration Abilities change how you play: Work with Cleo to unlock combat and utility abilities. Combat abilities like Sonic Blast and Tesla Shock. Utility abilities like Turbo Boost, Hacking Key, and Aqua Wheels. Use them to reach shortcuts, counter TaxiBots, and survive tougher shifts. Every shift is different. San Valeda never settles. Roadblocks, accidents, city wide events, and demand spikes force constant adaptation. No two runs follow the same flow
