Description

iPega PG-P5S045 Vertical Charging Stand with RGB Backlighting for Sony PlayStation 5 Slim, PlayStation 5 Pro Upgrade your gaming setup with the iPega P5S045 Vertical Charging Stand, specifically designed for the PlayStation 5 Slim. This multifunctional stand is the ultimate accessory, combining convenience, style, and efficiency to enhance your gaming experience. Equipped with dual controller charging slots, the stand ensures your controllers are always ready for action. The integrated RGB backlighting offers 14 dynamic lighting effects to create the perfect gaming atmosphere. Additionally, the stand features a practical headphone hook and three USB ports (2x USB-A, 1x USB-C) for added functionality, allowing you to connect peripherals or charge other devices effortlessly. Its quick and easy installation lets you securely position your console using the included fixing screw and USB cable. With charging status indicators for the controllers, you'll always know when your gear is ready to play. Key Features and Specifications - Vertical Stand for PS5/PS5 Slim: Stable and space-saving design keeps your console secure and organized. - RGB Backlighting: Choose from 14 vibrant lighting effects to customize your gaming environment. - Dual Controller Charging Slots: Charge two PS5 controllers simultaneously with built-in charging indicators for status monitoring. - Practical Additions: Includes a headphone hook for easy storage and USB ports (2x USB-A, 1x USB-C) for connecting peripherals. - Simple Setup: Quick installation with a fixing screw and single USB connection for power and functionality. Ideal Usage Examples - Home Gaming Setup: Keep your PS5/PS5 Slim and accessories organized while adding a stylish touch with RGB lighting. - Competitive Gaming: Ensure your controllers are fully charged for uninterrupted gameplay. - Content Creation: Use the USB ports to connect microphones or cameras for streaming. Why This Product is Perfect to Buy The iPega P5S045 Vertical Charging Stand is an all-in-one solution for gamers seeking convenience, style, and functionality. Its efficient charging system, versatile USB connectivity, and customizable RGB lighting make it a must-have accessory for any PlayStation 5/5 Slim owner. Interesting Facts Vertical stands with integrated charging solutions and RGB lighting are increasingly popular among gamers for their ability to combine organization, aesthetics, and performance. The addition of USB ports and practical hooks further enhances the versatility of such stands. Package Includes: - 1 x iPega P5S045 Stand - 1 x USB-C Cable - 1 x Fixing Screw - 1 x Headphone Hook - 1 x User Manual
