Description

Crafted with premium thickness (10 mm) and a soft flannel lining, our case cradles your VR headset securely. A dedicated small pouch for accessories ensures they remain separate and scratch-free, keeping your device pristine, Note: Don't work with any elite/halo or battery strap Portable and Space-Saving: Designed for travel, this compact, lightweight case (dimensions: 8.66*8.66*5.47 inch, weight: 11.16oz) fits effortlessly into your luggage or backpack. Unlike bulky alternatives, it provides sleek, space-efficient storage for your VR gear Smart Storage Solutions: Featuring meticulously organized compartments, this case offers dedicated space for all your essentials. Its intuitive layout ensures easy access and secure storage for your VR headset and accessories Eco-Friendly Durability: Our case combines sustainability with durability and is made from over 55% RPET eco-friendly materials. It’s resistant to wear, water, and dust, providing long-lasting protection for your VR equipment Perfect Fit, Modern Style: Tailored for Meta Quest 3S/3/2 and Vision Pro original strap, this case offers a snug, secure fit with a modern, minimalist aesthetic that complements your VR headset’s design, merging function with fashion
