Description

Expertly designed with an adjustable arm clamp, this car holder can securely mount most phones up to 6 inches in width. Its 360 degree rotation feature provides an unobstructed view while driving, ensuring maximum safety on the road. The durable two-layer reinforced silicone fixture protects your device from falling and scratching even at high speeds. Crafted from premium quality plastic, this car holder is not only environmentally friendly, but also long-lasting. Its compact design allows for easy storage and portability, while its tool-free installation makes it incredibly convenient to use.
