Description

Step into a world of immersive sound with the BL500 Pro Gaming Headset – a premium-grade headset engineered for serious gamers. With its high-precision 50mm drivers, the BL500 Pro delivers powerful bass, clear treble, and dynamic audio that brings your gameplay to life. Designed with comfort in mind, it features ultra-soft memory foam ear cups, an adjustable headband, and a lightweight build that ensures long hours of fatigue-free gaming. The built-in noise-cancelling microphone offers crystal-clear communication, filtering out ambient noise so your team hears only your voice. The rugged braided cable and intuitive volume/mic controls make it user-friendly and durable enough for everyday use. Key Features: 50mm dynamic drivers for superior sound performance Noise-isolating over-ear design for immersive gameplay Adjustable, padded headband and protein leather ear cups Noise-cancelling boom microphone for crystal-clear chat In-line volume and mute controls RGB lighting for a modern gaming aesthetic Compatibility: PlayStation 5, PlayStation 4 – Directly via 3.5mm audio jack Xbox One, Xbox Series X/S – Compatible with controllers featuring 3.5mm jack PC & Laptop – With splitter (included) for mic and audio Nintendo Switch – Via 3.5mm port in handheld mode Mobile Devices – Fully compatible with most smartphones and tablets with 3.5mm jack
