Description

Anker Soundcore Space Q45 - All-New Noise Cancelling Headphones with 50-Hour Playtime 98% Less Noise for Your Journey: The fully-upgraded noise cancelling system of Space Q45 targets and blocks out a wider range of noises, from plane engines to crying babies. Enjoy personal space wherever you go with Space Q45 noise cancelling headphones. Adaptive Noise Cancelling: Whether you're indoors, outdoors, commuting, or on a flight, Space Q45's adaptive noise cancelling automatically selects the suitable level to match your location. Customize your experience further by choosing 1 of 5 noise cancelling levels via the app. Ideal for Traveling: With 50 hours of playtime in noise cancelling mode, Space Q45 will cover an around-the-world flight without needing to recharge. In normal mode, enjoy up to 65 hours of playtime. If you're low on battery, a quick 5-minute charge gives you 4 hours of playtime. Hi-Res Audio Quality: The 40mm drivers feature a pioneering double-layer diaphragm made from silk and ceramic materials, producing sound with intense bass and crisp treble. Space Q45 headphones also support LDAC for Hi-Res Audio Wireless sound, ensuring you hear every detail. Designed for Comfort: Space Q45 noise cancelling headphones offer a balanced design, ergonomic build, and comfort-enhancing details for a harmonious wearing experience, making them perfect for long listening sessions. Key Features: Advanced Noise Cancelling: Blocks up to 98% of external noise. Adaptive Noise Cancelling: Automatically adjusts noise cancelling levels based on your environment. Extended Playtime: 50 hours with noise cancelling, 65 hours in normal mode, 4 hours with a 5-minute charge. High-Quality Sound: 40mm drivers with silk and ceramic diaphragms, LDAC support for Hi-Res Audio Wireless. Comfortable Design: Ergonomic build with comfort-enhancing details for prolonged use. Customizable Experience: Use the app to adjust noise cancelling levels and other settings. What's in the Box: Space Q45 Noise Cancelling Headphones USB-C Charging Cable AUX Cable Travel Pouch Product Dimensions: Length: 6.70 in / 170.18 mm Width: 3.50 in / 88.90 mm Height: 7.40 in / 187.96 mm Elevate your listening experience with Anker Soundcore Space Q45, combining advanced noise cancellation, superior sound quality, and extended comfort for an exceptional journey.
