Description

The Soundcore R50i NC by Anker are budget-friendly, true wireless earbuds featuring adaptive hybrid ANC (up to 42dB reduction), 10mm drivers with BassUp™ technology, and up to 45 hours of total playtime (10 hours + 35 in case). They offer Bluetooth 5.4, IP54 water resistance, 4-mic AI-enhanced calling, and a unique charging case that doubles as a phone stand. Key Features and Performance Active Noise Cancellation: Adaptive Hybrid ANC reduces ambient noise by up to 42dB, featuring multiple modes for different environments. Sound Quality: Equipped with 10mm dynamic drivers and BassUp™ technology for enhanced low-frequency, punchy sound. Battery Life: Up to 10 hours of continuous playtime, with a total of 45 hours including the charging case (ANC off). A 10-minute fast charge provides 2 hours of listening. Connectivity: Features Bluetooth 5.4 for stable, low-latency, and multipoint connections. Design & Durability: IP54-rated, making them resistant to dust and water splashes. The case features a built-in groove to act as a phone stand. App Support: Compatible with the Soundcore app, offering 22 EQ presets and customizable controls. These earbuds are designed for a balanced mix of performance and convenience, suitable for daily commuting, workouts, and office us
