SKU	gs-47896877531358
Brand	Xiaomi
Category	Home Audio & Video
Minimum order quantity	1
Unit	—
Unit price	$70.00
Available quantity	100

Description

The Xiaomi TV Box S transforms any television into a smart home entertainment hub, delivering stunning 4K Ultra HD resolution and vivid cinematic visuals. Powered by Google TV™, this streaming device brings together over 10,000 apps, free channels, and personalized recommendations in one intuitive interface. With support for Dolby Vision and HDR10+, every scene is rendered with remarkable color depth and clarity, while Dolby Atmos and DTS:X create a surround sound experience that turns your living room into a home theater. Engineered for performance, the TV box incorporates a 6nm high-efficiency chipset featuring a 64-bit quad-core A55 CPU that reaches up to 2.5GHz, enabling faster load times and smooth multitasking. Thanks to its 2GB RAM and expanded 32GB storage, users can download more apps and cache larger media files without compromise. With integrated Wi-Fi 6 and Bluetooth 5.2, streaming and connectivity are faster and more reliable than ever. Built for both function and design, the compact and stylish device also includes a 360° Bluetooth voice remote, ensuring complete control with minimal effort. Key Features: 4K UHD Resolution with HDR10+ and Dolby Vision:Visuals are enhanced with cinematic quality, offering superior brightness, contrast, and color for more lifelike images. Dolby Atmos & DTS:X Audio:These premium audio technologies create a multi-dimensional sound environment that immerses the viewer in the content. Google TV™ Experience:Google’s powerful entertainment platform organizes apps, content, and profiles seamlessly. Voice search and Assistant support allow hands-free operation and smart home control. High-Performance Chipset:Equipped with a quad-core A55 processor and ARM G310 GPU, performance is improved by 25% in CPU and 130% in GPU over the previous generation. Wi-Fi 6 Connectivity:Designed for ultra-fast internet access with minimal latency, ideal for streaming high-resolution content without buffering. 360° Bluetooth Remote:Navigation is simplified through voice commands and a responsive Bluetooth connection that works from any angle. Elegant, Compact Design:The sleek, pebble-shaped design blends well with modern home setups while remaining discreet. Technical Specifications: Design: Dimensions: 97mm × 97mm × 17mm Weight: 91.2g (without packaging) Color: Black Platform: Output Resolution: 4K (3840 × 2160) CPU: Quad-Core (up to 2.5GHz) GPU: ARM G310 V2 RAM: 2GB ROM: 32GB Operating System: Google TV™ Video Decoder: Up to 4K 60FPS Audio: Supports Dolby Audio®, DTS:X Visual: Supports Dolby Vision®, HDR10+ Connectivity: Wi-Fi: 2.4GHz / 5GHz (Wi-Fi 6 supported) Bluetooth: 5.2 Ports: HDMI 2.1 × 1, USB 2.0 × 1, Power Interface × 1 In the Box: Xiaomi TV Box S (3rd Gen) × 1 Remote Control × 1 Power Adapter × 1 HDMI Cable × 1 User Manual × 1
