Description

Experience an epic action-adventure story set in feudal Japan, now on Switch 2! Become a lethal shinobi Assassin and a powerful legendary samurai as you explore a beautiful open world in a time of chaos. Whether you are at home or on the go, experience Assassin's Creed Shadows in a whole new and unique way with the Nintendo Switch 2. Master the deepest stealth mechanisms of the series & fight in visceral combat – Play as Naoe, a quick-witted shinobi, and use light, sound, and shadows to evade detection. Infiltrate enemy strongholds with many parkour options including the new grappling hook, distract guards with shuriken or smoke bombs, and assassinate your targets with your Hidden Blade. As the samurai Yasuke, use silent bow takedowns or unleash devastating melee combos with your katana or naginata. Switch between these two heroes to adapt your strategy and experience feudal Japan through two radically different approaches – stealth and strength, shadows and steel. Deep-dive into the captivating world of Assassin's Creed Shadows – Step into feudal Japan like never before! From majestic castle towns to serene shrines and sweeping countryside, Assassin’s Creed Shadows offers a breathtaking open world where dynamic seasons, shifting weather, and environmental destruction affect your tactical approach. And, to get full immersion, experience the game through Japanese voiceover. A global hit - Whether you are a veteran Assassin’s Creed player or new to the franchise, feudal Japan awaits you, with a community of millions of players! Final content and release dates subject to change. Full game download via Internet is required. Check nintendo.com/eu/game-key-cards for details.© 2025 Ubisoft Entertainment. All Rights Reserved.
