Description

Upgrade your Nintendo Switch 2 gaming experience with the Dobe TNS-5110 Controller Grip & Full-Circle Steering Wheel Kit. This 4-in-1 accessory set is designed to enhance comfort and immersion during gameplay. It includes two ergonomic controller grips for better handling in action and fighting games, and a full-circle steering wheel attachment for realistic racing game control. Crafted from durable ABS plastic, each piece ensures a snug, secure fit for your Joy-Con controllers while maintaining lightweight portability. Perfect for solo or multiplayer sessions, this kit transforms your Joy-Cons into versatile, game-specific tools for a more enjoyable play experience. Compatibility: Designed for Switch 2 Joy-Con controllers—fits both left and right Joy-Con modules perfectly Key Features Secure & Stable Fit: Precision-molded to snap Joy-Con controllers firmly—no wobbling or looseness during gameplay Quick Mode-Switching: Easily switch between wheel and grip modes to match the gaming genre; perfect for racing and action titles alike Ergonomic & Comfortable: Curved grips designed for prolonged gaming—relieves fatigue and provides a natural hand fit Lightweight & Portable: Made from high-strength ABS plastic that’s sturdy yet lightweight—great for on-the-go gaming
