Available quantity	100

Description

The Dobe TNS-3177 Charging Grip for Nintendo Switch 2 Joy-Con (Black) is a sleek and ergonomic accessory designed for comfort and convenience. It features a secure magnetic locking system that keeps both Joy-Con controllers firmly in place, preventing accidental slips during intense gameplay. The curved grip fits naturally in the hands, reducing fatigue during long sessions, while its dual-charging capability allows both Joy-Con to recharge simultaneously through a USB-C connection. LED indicators provide clear charging status—red while charging and green when fully powered or on standby—so you always know when your controllers are ready. Built with durable, flame-retardant ABS material and equipped with intelligent safety circuitry, the grip is both reliable and portable. Its play-while-charging function makes it ideal for extended gaming marathons, combining comfort, security, and practicality in one essential accessory.
