Description

Be One of the 20 with EA SPORTS™ F1® 24, the official video game of the 2024 FIA Formula One World Championship™. Unleash Your Champion in pursuit of a legacy-defining F1® Career, the mode’s first major update since 2016. Drive like the greatest and feel at one with the car through the all-new EA SPORTS Dynamic Handling, and Ignite your Passion by connecting to your favorite teams and drivers while proving that you have what it takes across new modes and experiences. Features & details Unleash Your Champion in Driver Career Mode - For the first time ever, jump into the newly innovated Driver Career and race as one of the current F1 drivers. Gameplay Innovations True to the World of F1 - Experience a new driver accolades system that tracks your achievements across multiple seasons. Drive Like The Greatest - Our largest-ever physics and handling update delivers the most authentic and immersive driving experience ever felt in an F1 title. Challenge Career - Offers episodic competitive play with mini Career scenarios to test your skills through unique events and challenges.
