Description

Description In 1960s Japan, Shimizu Hinako's secluded town of Ebisugaoka is consumed by a sudden fog, transforming her home into a haunting nightmare. As the town falls silent and the fog thickens, Hinako must navigate the twisted paths of Ebisugaoka, solving complex puzzles and confronting grotesque monsters to survive.Immerse yourself into Hinako's world imagined by renowned author Ryukishi07, with entrancing music, including pieces by Akira Yamaoka, and beautiful visuals in a gripping tale of doubt, regret, and inescapable choices. Will Hinako embrace the beauty hidden within terror, or succumb to the madness that lies ahead?Discover a new chapter in the SILENT HILL series, blending psychological horror with a haunting Japanese setting. The Day One Edition includes the Full Game plus these additional items (via voucher inside the Day One game pack): White Sailor School Uniform, Omamori: Peony, Item Pack: Shriveled Abura-age/Divine Water/First Aid Kit (In-game consumable items) This costume changes Hinako's appearance. To use this costume, access a Hokora in the game and select Change Costume from the menu. An equipable item. To receive this item, access a Hokora in the game and select Bonuses from the menu.The Bonuses option will unlock based on game progression. An item pack with three consumable items. This pack can only be claimed once. To receive this item, access a Hokora in the game and select Bonuses from the menu.
