Description

Supernatural powers collide with everyday life, and every choice you make has consequences. LIFE IS STRANGE is a single-player narrative adventure series that focuses on heartfelt, grounded stories with a twist of the strange, and a franchise that has won over 100 awards since its inception - including from The Peabody Awards, BAFTA, and GLAAD. Over five cinematic, emotional adventures, you'll Rewind Time as Max Caulfield and uncover the secrets of Arcadia Bay with Chloe Price, take a road trip with Sean Diaz and his telekinetic brother Daniel, find a new home with psychic empath Alex Chen, and return to Max to solve a murder across two timelines. The box set comprises a disc with LIFE IS STRANGE: TRUE COLORS and LIFE IS STRANGE: DOUBLE EXPOSURE, alongside a redemption code granting entitlement to LIFE IS STRANGE REMASTERED, LIFE IS STRANGE: BEFORE THE STORM REMASTERED, LIFE IS STRANGE 2, and all associated DLC and pre-order incentive items.
