Description

The next evolution of the Nintendo Switch console is here! Experience new, exclusive games like Mario Kart World only on Nintendo Switch 2. Plus, you can enjoy compatible games from your Nintendo Switch library*. Bring games to life with a larger 1080p screen—or connect to a TV and play in up to 4K resolution**. Support for HDR, VRR, and frame rates up to 120 fps let you enjoy vivid colour, clarity, and smooth gameplay. Snap the new Joy-Con 2 controllers into place with magnetic connectors. Each controller can even be used as a mouse in compatible games. Say "hello" to GameChat*** - Start a chat with friends at any time using the C Button! Share your game screen while chatting to show what you're up to. And for a more personal touch, connect face-to-face with the Nintendo Switch 2 camera or other compatible USB-C camera (each sold separately). *Some Nintendo Switch games may not be supported or fully compatible with Nintendo Switch 2. **TV and game must be compatible with 4K resolution. Frame rates are capped at 60 fps for 4K output. ***Additional games, systems and/or accessories may be required for multiplayer mode. Internet, Nintendo Switch Online membership and Nintendo Account required for online features, including GameChat. Nintendo Switch 2 camera or compatible USB-C camera required for video features. Not available in all countries. Terms and GameChat requirements apply. Games, systems, membership, and some accessories sold separately.
