Description

Monster Hunter Wilds™ is the highly anticipated next evolution in the award-winning Monster Hunter™ franchise. Coming to PlayStation®5, Xbox Series X|S, and Steam for PC on Feb. 28, 2025, the latest entry in the beloved series of co-op action RPGs takes the thrill of hunting larger-than-life foes in expansive natural environments to immersive new heights. The story transports players to the Forbidden Lands, a mysterious wilderness that can transform in unexpected ways. This living world is teeming with rugged wildlife adapted to an ever-changing climate, including massive monsters that players will take on in action-packed encounters. As hunters, players protect the balance of the ecosystem, utilizing resources from hunts to craft powerful gear and continue investigating the mysteries at the heart of these new lands.
