Description

THE NEXT CHAPTER IN FEAR! Five Nights at Freddy's: Security Breach is the latest instalment of the family-friendly horror games loved by millions of players from all over the globe. Play as Gregory, a young boy trapped overnight in Freddy Fazbear's Mega Pizzaplex. With the help of Freddy Fazbear himself, Gregory must survive the near-unstoppable hunt of reimagined Five Nights at Freddy's characters - as well as new, horrific threats. THE HUNTERS AND THE HUNTED - Once nighttime protocols are initiated, the animatronics at Freddy Fazbear's Mega Pizzaplex will relentlessly pursue all intruders. Glamrock Chica, Roxanne Wolf, Montgomery Gator, and the Pizzaplex's security guard, Vanessa, will turn over every Cotton Candy Pizza Stand if they have to - it's not wise to stay in one place for too long. ADAPT TO SURVIVE - Access the building's security cameras to survey the environment and plan your route through danger. Distract enemies by knocking over paint cans and toys - just slip away before enemies are drawn to your location. Hop into hiding spots and allow danger to pass or try to outrun your pursuers. Play your way but be prepared to adapt. EXPLORE AND DISCOVER - Freddy Fazbear's Mega Pizzaplex offers a variety of attractions for guests to enjoy - Monty Golf, Roxy Raceway, Bonnie Bowl, the sewers, and… Sewers? The Pizzaplex is vast and has no shortage of goodies to discover. Retail Exclusive - All retail copies of Five Nights at Freddy's: Security Breach will feature an exclusive sticker sheet!
