Description

Where will Lucky's treasure map lead you? Ride as Lucky on a wild new adventure with her faithful mustang, spirit. You'll have lots of fun with Lucky's fearless best friends, abigail and pru, by your side. There's a wide-open frontier to explore, full of exciting quests, animals, and items to collect. Navigate dangers, like villainous Horse wrangler, hendricks, who's a little too interested in your treasure hunt. With spirit growing stronger in your care, and the Pals riding together in style, you'll become a true country girl. Will you find and protect the real treasure of miradero?
