Description

All hands on deck for an island-hopping adventure starring Mario and Luigi! The brothers return for a brand new adventure on the high seas! Set sail with Mario and Luigi on Shipshape Island (part ship, part island) and journey through the vast world of Concordia. Launch out of Shipshape’s cannon to visit, explore, and quest your way through islands that range from tropical rainforests to bustling cities. Meet new friends along the way, like Connie and Snoutlet (who's definitely not a pig), and encounter familiar faces from the Mushroom Kingdom like Peach and Bowser, who may help you on your journey! You’ll have to rely on Mario and Luigi’s brotherly bond to succeed. Use Bros. Moves to get past obstacles while you explore, and powerful Bros. Attacks in a dynamic twist on turn-based combat. You’ll need every edge this 'brothership' will give you to save the day!
