Description

New challenger approaching! HORI is bringing it back to the old school with the Nintendo Switch battle pad. GameCube-style contours with traditional c-stick will feel at home in the hands of any smash Bros vet, but the battle pad's extra features set it apart from the Pack. Anti-snapback Tech for increased stick precision, and fast-action digital L/R & ZL/ZR for Hyper response speed, and textured grips to keep the battle pad firmly in place - in even the most heated battles. Swap L/R & ZR/ZL functions to play how you want, or get really wild with Turbo settings. Wired USB Controller with 10 ft. cable. Featuring your favorite Nintendo characters & colors - choose your fighters and Gear for battle! Officially Licensed by Nintendo.
