Description

Description When eight friends return to the isolated lodge where two of their group vanished a year prior, fear tightens its icy grip, and their mountain retreat descends into a nightmare with no escape. Face your fears and determine who survives Until Dawn in this seminal horror classic, rebuilt and enhanced for PS5 consoles. Features & details Decide the fate of eight survivors in this seminal horror classic, rebuilt and enhanced with new content for PS5 consoles. Explore a rich, detailed environment brought to life with cutting-edge visual enhancements and stunning performance capture by an all-star cast. Discover new collectibles, interactions, and all-new areas as you survive the night and unravel the mystery. Bring the horror to life in your hands through haptic feedback and adaptive triggers on the DualSense wireless controller. Enjoy a brand-new third-person camera, movie-like cinematography, musical score, and reauthored audio design that’ll keep you on the edge of your seat.
