Description

Description In your restless dreams, do you see that town? SILENT HILL 2 is coming exclusively to PlayStation 5. Produced by KONAMI and developed by Bloober Team in collaboration with Akira Yamaoka and Masahiro Ito, the unsettling town shrouded in the brooding fog will be remade with enhanced visuals, sounds and gameplay. The SILENT HILL 2 remake revisits main protagonist James Sunderland and his search for clues in the namesake town, after receiving a mysterious letter from his wife Mary… who has long been dead. Experience the eerie monsters and other manifestations of James' consciousness reworked after 20 years using state-of-the-art technology to play on modern entertainment systems in 4K. Features & details Fully Remade to terrify modern audiences KONAMI's intense psychological horror masterpiece SILENT HILL 2 is made exclusively for PlayStation 5 The main protagonist James Sunderland searches for clues in the namesake town, after receiving a mysterious letter from his wife Mary… who has long been dead Experience the eerie monsters and other manifestations of James' consciousness reworked after 20 years Made with state-of-the-art technology to play on modern entertainment systems in 4K
