Description

Monopoly is back! Your favorite property trading game brings the best parts of tabletop gaming to life, weaving together the nostalgic charm of board games with the modern video game wonder. Family Game Night Staple Play with up to 6 players in your living room or online across multiple platforms since the game supports cross-play! Tabletop Feel Feel the essence of tabletop gaming as you buy, sell, and trade properties. A board that comes to life Move around the 3D board to explore the city and its different neighborhoods or spy on your opponents before your next move. Customize Your Game Twist the game with the custom House Rules. Choose a new objective from our 5 Special Goals or use the Speed Die mode to make you progress faster around the board.
