Description

Overcooked! Goes online- for the first time ever, online multiplayer has been fully integrated into Overcooked! Revisit your favorite kitchens from the first game in stunning 4K and online! Enjoy the cooking chaos with all of your friends using cross platform multiplayer and voice chat. A shared multiplayer queue means reduced waiting times for games, more time for culinary carnage! A visual Feast! Both games have been taken to the next level with stunning, enhanced 4K visuals - this is the best that the Overcooked! Series has ever looked. Tasty new content! New levels, new chefs and new mayhem - all exclusive to Overcooked! All you can eat. Overcooked! All you can eat contains a features to allow as many players as possible to join in the food frenzy! Scalable UI, dyslexia friendly text and Color blindness options are all available.
