Description

Full-size racing wheel and pedals for Nintendo Switch Description HORI brings the best in build-quality, customization options, and authentic racing simulation to the Nintendo Switch with the Racing Wheel Pro Deluxe. HORI's design team has included 270-degree turn radius and programmable buttons on a full-size racing wheel for the Nintendo Switch™. High quality gas and brake pedals are also included to immerse you in the driver’s seat. The Racing Wheel Pro Deluxe clamps securely to your table or racing wheel stand for ease of use. Change from 270 degree to 180 degree turn ratio on the fly and fine tune settings such as dead zone, pedal sensitivity, and more. Race to the finish line with the all-new Nintendo Switch Racing Wheel Pro Deluxe. Officially licensed by Nintendo. Features & details Full-size racing wheel and pedals optimized for authentic racing simulation 270-degree turn radius with adjustable output options Mounts securely with included clamp
