Description

Up your game with Call of Duty: Modern Warfare Performance Thumbsticks. Designed specifically for Call of Duty: Modern Warfare, these versatile, mid-rise Performance Thumbsticks will boost your skills whether you’re clearing your corners, engaging in stealth operations, or battling it out in Ground War. As an added bonus, express your status as the ultimate predator with the included code for the in-game Wheelson Calling Card. Call of Duty: Modern Warfare Performance Thumbsticks feature a unique hex design inspired by the Ground War game mode. This set includes two mid-rise, domed thumbsticks to increase gamers comfort, control, precision and versatility in an installment where every kill is a question, and the shots gamers don’t choose to make can be as important as those they do. Features & details PERFORMANCE THUMBSTICKS - are the world’s most advanced thumb grips. They provide an advantage in gameplay by increasing the controller’s arc distance and maximizing agility, accuracy and grip UNIQUE HEX DESIGN - provides expanded surface area for comfort and enhanced feel of direction when using corner edges TWO VERSATILE MID-RISE PERFORMANCE THUMBSTICKS - adds 6.5mm of height for increased precision and control, no matter the range CONVEX SURFACE - with proprietary rubber compound to enhance grip and reduce slip DESIGNED - for Call of Duty: Modern Warfare and BONUS in-game content - calling card code included *Packaging May Not Reflect Updated Compatibility
