The Pulsefire Haste 2 features custom HyperX Switches that provide tactile, audible feedback on each satisfying click, and are rated for a lifespan of up to 100 million clicks. Get the most out of every mouse movement with HyperX NGENUITY Software and program create macros for the 6 programmable buttons, customize your DPI settings, and personalize your RGB lighting. Features & details Easier mouse movement for easier wins: Game at the speed of ultra-light with the Pulsefire Haste 2. Featuring a solid shell, but still weighing in at just 53g*, it’s designed to help you move quicker, game better, and feel less fatigue.
