Description

Hit the mark for precision and immersion with the Razer Cobra - a lightweight wired gaming mouse powered by Razer Chroma RGB. Armed with ultra durable switches and decked out with a gradient Chroma underglow, you'd never expect a mouse so small to pack such a big-game performance. Features & details 58G LIGHTWEIGHT DESIGN — Built to fit most grip styles, the mouse allows for fast, precise control and feels comfortable to use during long gaming sessions GEN-3 OPTICAL MOUSE SWITCHES — Unrivalled durability and speed with switches that have an extended 90-million click lifecycle and eliminate double-clicking issues, boasting a blistering 0.2 ms actuation time without debounce delay CHROMA LIGHTING WITH GRADIENT UNDERGLOW — Customize the mouse with 16.8 million colors and countless lighting effects, creating a more immersive gaming experience as the lights react dynamically with hundreds of Chroma-integrated games PRECISE SENSOR ADJUSTMENTS — Fine-tune the mouse's sensitivity with precise adjustments in 50 DPI increments to achieve a truly tailored play style SPEEDFLEX CABLE — Provides greater flexibility and is designed to produce minimal drag, perform quicker and more fluid swipes, and offer a higher degree of control 100% PTFE MOUSE FEET — Made from the highest grade of PTFE, the Cobra’s mouse feet on the front, rear, and sensor ring allows it to glide smoothly across any surface
