Description

Build the car of your dreams in the biggest rally game ever, EA SPORTS™ WRC, the all-new official videogame of the FIA World Rally Championship, the first developed by the award-winning team behind the DiRT Rally series. Design and drive your dream rally car with the debut of Builder mode, race and overcome recent events alongside real-world highlights and nostalgic throwbacks in Moments mode or battle the elements across dirt, snow and asphalt in the pursuit of the perfect run. FEATURES • MAKE YOUR OWN: Design and drive your dream rally car with the debut of Builder mode. • REWRITE HEADLINES: Race and overcome recent events alongside real-world highlights and nostalgic throwbacks in Moments mode. • DYNAMIC HANDLING SYSTEM: Codemasters' renowned multi-surface handling model is improved for WRC. Tailor it to match your skill level and put it to the test on surface degradation. • IMMERSIVE: Revel in euphoric moments as you battle the elements across dirt, snow and asphalt in the pursuit of the perfect run. • AUTHENTICITY: Built on the foundations of over 25 years of rally-game heritage, drive the WRC, WRC2, and Junior WRC cars, with drivers, teams, and liveries from the 2023 season. • JOURNEY THROUGH WRC HISTORY: Challenge yourself behind the wheel of epic WRC cars and travel through rallying history with a variety of 70 authentically recreated historic vehicles. • AROUND THE WORLD: From Monte Carlo and Portugal to Kenya and Japan, battle 17 current and former WRC locations with over 200 stages at launch. • THE COMPLETE EXPERIENCE: Career, Championship, Time Trial, Cross-platform Multiplayer, Regularity Rally, a detailed livery editor, and more. • EA SPORTS™ WRC - Free Rally Pass Season #1: Earn XP in game to unlock a range of items to customise your driver, as well as decals to use in the new Livery Editor. • EA SPORTS™ WRC - VIP Rally Pass Season #1: Take your Rally Pass experience to the next level with this season's VIP Pass! The VIP Rally Pass gives you access to an additional 3 helmets, 3 race suits, 3 sets of gloves and 3 caps as well as 3 liveries to use with the Ford Puma Rally1 HYBRID, Hyundai i20 N Rally1 HYBRID and the Toyota GR Yaris Rally1 HYBRID. • EA RACENET CLUBS: EA Racenet is a companion feature where WRC players can connect, compare and improve their gameplay experience, available via web or mobile (iOS and Android). Create, join, manage and run WRC Clubs as you compete in community-led Championships and stages, grouped into Events, with points awarded for the fastest player.
