Description

Revisit the first two Pikmin games on the Nintendo Switch™ system!Reintroduce yourself to the plantlike Pikmin and strategic gameplay that this charming series is rooted in. From finding a way home to collecting treasure, Olimar (plus Louie in the Pikmin 2 game) must partner with a parade of Pikmin to survive the harshest of conditions. Both games support optional motion controls for more options when guiding your floral friends.Find your way home in the original Pikmin-plucking adventureMeet Captain Olimar and a capable cast of red, blue, and yellow Pikmin on a dire mission across a larger-than-life planet. Olimar must guide his loveably-leafy companions through obstacles, in battle, and when collecting his missing ship parts.Meet even more Pikmin (and Louie) on a treasure-hunting expeditionSwap between Olimar and Louie to divide and conquer in Pikmin 2. Tasked with helping pay off their employer’s debt, the pint-sized pair teams up with Pikmin (including purple and white Pikmin) to collect treasure on...you guessed it...a strange planet. Time ticks away on the surface, but cave systems let you take your time to let your strategy blossom. Features & details Play the first two Pikmin games on the Nintendo Switch system and revisit original Pikmin plucking gameplay Grow and guide the loveable Pikmin and explore a strange world in two different adventures Meet the Pikmin and use their miniature might to collect your ship pieces and return home in the Pikmin game Swap between Olimar and Louie and meet pluck more Pikmin on a treasure hunt in the Pikmin 2 game Both games support optional motion controls for another way to grow and guide your plantlike platoon
