Description

Find wonder in the next evolution of Mario fun Classic Mario side-scrolling gameplay is turned on its head with the addition of Wonder Flowers. These game-changing items trigger spectacular moments you have to see to believe...Witness pipes coming alive, float through outer space, wreak havoc as a giant Spike-Ball, and see even more unexpected events called Wonder effects. Pick from heroic Super Mario characters and power-ups to save the Flower Kingdom Choose from the largest cast of characters in a side-scrolling Mario game, including Mario, Luigi, Peach, Daisy, and Toads. Players of all skill levels can feel the wonder by playing as a Yoshi or Nabbit who don’t take damage! Share the wonder with friends and Mario fans near and far Team up with up to three friends locally* and gather around one Nintendo Switch system to experience the game-bending wonder effects together as you tackle courses as a team and help each other on your way to the Goal Pole. Online**, you can work together or turn a course into a friend race to finish first. Even when playing solo, connecting online lets you see silhouettes of other Mario fans around the world as they embark on their own journeys. See how they approach each course and get their help when you’re in trouble. Find standees left by other players to help recover from falls—or place your own. Features & details Find wonder in the Flower Kingdom in the next side-scrolling Super Mario adventure Collect Wonder Flowers for surprising, game-changing effects like pipes coming alive, an enemy stampede, and much, much more Choose from the largest cast of characters in a side-scrolling Mario game, including Mario, Luigi, Peach, Daisy and other favorites Ease into the action with four different-colored Yoshis and Nabbit who can’t take damage Discover new power-ups like Elephant Fruit, which transforms Mario and friends into an elephant that can swing its trunk and spray water
