Available quantity	100

Description

Lords of the Fallen introduces an all-new, epic RPG adventure in a vast, interconnected world more than five times larger than the original game. After an age of the cruellest tyranny, the demon God, Adyr, was finally defeated. But Gods… do not fall forever. Now, aeons later, Adyr’s resurrection draws nigh. As one of the fabled Dark Crusaders, journey through both the realms of the living and the dead in this expansive RPG experience, featuring colossal boss battles, fast challenging combat, thrilling character encounters, and deep, immersive storytelling. Will your legend be one of light… or one of darkness? Dare to Hope. Features Explore A Vast, Interconnected World: Journey across two expansive, parallel worlds in your epic quest to overthrow Adyr. While the living realm presents its own brutal challenges, untold terrors lurk in the nightmarish realm of the dead. Encounter a wide array of characters, eager to offer a dubious hand… Define Your Own Legend: Fully customise your character’s appearance from a wide array of visual options, before selecting one of nine character classes. Whichever starting path you take, develop your character to your own playstyle by upgrading stats, weapons, armour and spells. Master Fast, Challenging Fluid Tactical Combat: Only those that master the deep, tactical combat can hope to survive. Choose from 100s of uniquely brutal weapons, or forgo metal for magic with devastating attacks of the arcane.
