Description

Guide pintsized creatures in a grand mission on a strange planet! Meet Pikmin, small, plantlike creatures you can grow, pluck, command, and overpower your enemies with! Use your Pikmin’s miniature might (and a bit of strategy) to explore this mysterious planet. These curious helpers come in different types—fire is no sweat for Red Pikmin and the brand-new Ice Pikmin can freeze enemies and the environment. You get a dog, too! Oatchi (pronounced oat-chee), resident good boy and dependable partner, can help with things like smashing obstacles and carrying Pikmin throughout your adventure. With the miniscule Pikmin and a capable canine in tow, no challenge is too big! Description Raise a crop of plantlike Pikmin and guide them on an endearing expedition! Meet Pikmin, small, plantlike creatures you can grow, pluck, guide, and send into battle with enemies multiple times their size! These loyal, curious helpers come in different types, including fire-resistant Red Pikmin and brand-new Ice Pikmin. The fate of your Pikmin is yours to decide—will you carefully avoid danger or rush into situations despite potential…losses? Create your own explorer and navigate a big planet from a pint-sized perspective Customize your look then embark on a journey to find and rescue fellow explorers. Traverse a world that seems larger than life as you see everyday objects like plants, benches, and pots tower over your explorer and Pikmin. Revisit these diverse areas at night and use brand-new Glow Pikmin to light the way forward…just watch out for berserk wildlife. Go explorer vs. explorer in Dandori Battles In the world of the Pikmin™ 4 game, explorers like to get in on some friendly competition. Throughout the story you’ll encounter characters itching to compete in Dandori Battles—see who can collect the most objects within the time limit. Gathering plenty of Pikmin to carry even more treasure is a key part of Dandori Battle strategy. You can also face off in Dandori Battles on the same system against a friend or family member, with more stages to play as the story progresses. Features & details Grow, gather, and guide small, plantlike creatures called Pikmin on an endearing expedition Use Pikmin’s attributes, like Red Pikmin’s fire resistance and Ice Pikmin’s freezing effects, to find a way forward Customize your explorer and navigate a world that looks larger-than-life from a pint-sized perspective Venture out a night and keep an eye out for berserk wildlife with the help of brand-new Glow Pikmin See who can collect the most objects in the shortest amount of time in Dandori Battles against characters in the story or with a friend on the same system Partner with Oatchi, your dependable space dog, who can help with things like smashing obstacles and carrying Pikmin throughout your adventure
