Description

Welcome to Brighton! Join the ranks of this Fictitius American city´s police force and experience the everyday life of a police officer. Begin with parking violations and work your way up to shouldering greater reponsabilities. Be part of Brighton´s community, get to know your neighborhood, and fulfill the daily duties of a police officer as you fight crime during your shift. Always be tough, but fair: respect the law and gain more experience to unlock more neighborhoods, districts, and duties! Features & details Single and Multiplayer mode Choose between simplified gameplay or an immersive simulation experience Unlock new city districts, each with their own unique flair, as well as vehicles and game modes The dynamic Traffic System simulates everyday situations encountered by police officers, from speeding cars and parking infractions to traffic accidents Face the challenges of a police officer, such as emergency calls, traffic accidents, parking infractions, and even giving chase to suspects
