Description

DRAW YOUR BLADE AND JOIN THE REVOLUTION - In 1860s Japan, a low-ranking samurai by the name of Sakamoto Ryoma is disappointed with the longstanding shogunate reign. Foreign guns have arrived on Japanese shores, widespread poverty plagues the common folk, and the era is ripe for a revolution. After Ryoma’s adoptive father is assassinated for leading a revolutionary group, Ryoma vows vengeance, seeking nothing less than to bring an end to the samurai era. In a twist of fate, Ryoma sets out to bring down the shogunate by infiltrating it from within. He joins the Shinsengumi, an elite force of samurai warriors, to hunt down his father’s murderer. But Ryoma is not the only one with an agenda, and he is drawn further into the operations of shogunate rule the more he pursues his cause. GO WILD WITH FOUR GUN AND SWORD COMBAT STYLES - Take samurai combat to the next level with a revolver in one hand and sword in the other. The Wild Dancer style allows you to nimbly wield both and quell any threat. Alternatively, you may focus on one deadly weapon, slashing through foes with your lethal blade using the Swordsman style or sharpshooting your enemies with the Gunman style. And if you’re feeling extra brutal, smash some skulls with your bare fists using the Brawler style. But that’s not all. It wouldn’t be an RGG Studio title without epicly absurd heat actions. Summon a tiger to maul your foes, shove pickled plums down your enemies’ throats, and wield a cannon to blow down opponents. The heat actions in Ishin! will leave you itching to uncover new moves at every stage of the game. A HISTORICAL EPIC FEATURING A STAR STUDDED CAST - Like a Dragon: Ishin! brings in familiar faces to tell its epic historical tale. Fans will recognize the protagonist as Kazuma Kiryu from earlier entries in the franchise.
